New opportunities

Sell your products on

Top game distribution channels

Top software distribution channels

Reseller purchase price wholesaler

Nexway buy your product with a % discount of the Recommended Sale Price VAT.

Price policy

Final sale prices are determined by the resellers, on the basis of the publisher recommended sale prices. The reseller can adapt his margin according to the product or during a promotional campaign.

Monthly invoicing

Nexway send you a call for invoice for the sold products during the previous month. Once Nexway received our invoice, we pay you within 30 days end of month.
